## Adem-Mag MODULO

---

### ► Description

Adem-Mag **MODULO** is a modular magnetic separator. It can hold 4 microtubes (1.5ml or 2ml).

**NOTE:** This magnet replaces the Adem-Mag MSV

### ► Benefits

- **Sharing our expertise in biomagnetic separation**

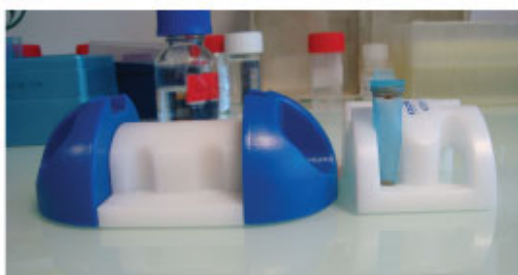

- **Customized strong rare earth magnet** protected by recyclable PEHD plastic = fast biomagnetique separation and maximum yield

- **Smart design** for a clear visualisation of your separation = microtubes come at proximity of the magnet. For small volume range 1.5ml microtube could be inclined for more efficient separation.

- **Convenient** = sample microtube holder can be quickly remove from the magnetic base for easy wash step

- **Design your own magnet**

The **MODULO** line's modular and flexible design allows easy configuration of your magnetic separator according to your need. As your project change your **MODULO** line can evolutes to meet new challenges.

**MODULO Classic** (# 20105)

**MODULO Brick** (# 20108)

**MODULO Plus**

2 units of **MODULO Brick** and 1 **MODULO Classic**

Thanks to the scalability of the **MODULO** line magnetic separator, a wide range of throughputs and budgets can be accommodated.

#### ► Product specification

**Unique scalability = The MODULO Classic ( # ADE-20105) can be converted on site to MODULO Plus by mean of MODULO Brick (# ADE-20108)**

Magnet	Code Number	Description
<b>MODULO Line</b>		
MODULO Classic	20105	4 positions for 1.5ml or 2ml microtubes
MODULO Brick	20108	Brick to build MODULO Plus (4 positions)
<b>Other Magnetic separator</b>		
Adem-Mag SV	20101	1 position for 1.5ml or 2ml microtubes
Adem-Mag MV	20102	1 position for 15 ml tube
Adem-Mag HV	20103	1 position for 50 ml tube
Adem-Mag 96	20106	96 well plate
